Taipei, Taiwan

I am **chihao yo**. I was born in **Taipei, Taiwan**. I work with **language, code, and systems** as mediums and subjects of critique. I strive to tackle social structures and ethical values in my work, and make them advocates for **justice and good life for all**. I create **alternative models for discourse and collaboration** out of which I believe new societies would manifest.

EDUCATION

In computers, I use git. I code in SASS, Javascript, Firebase, PHP+MySQL, C/C++, Java/Processing for creative purposes and social causes. **Outside**, I make *washi* and play trumpet. I write and translate. **In between**, I design and implement systems—virtual, physical, and inter-personal. I promote collaboration, organize groups and events in attempt to disrupt normality.

MFA, Digital + Media, Rhode Island School of Design, Providence, RI, USA, 2014

BBA, Information Management, National Taiwan University, Taiwan, 2009
